**Teacher of English (Upper Key Stage 2 / Key Stage 3)
(Part-Time up to 0.6 to be discussed at interview)
September 2026 start**

Dear Prospective Applicant,

A great prep school English teacher not only prepares children for the senior school pathway but also fosters a love for literature and language, promotes reading for pleasure, creative writing, effective communication and a curiosity for language. It goes without saying that strong literacy skills are fundamental to unlocking lifelong learning and employment opportunities for all children. In our search for a part-time English teacher, we seek an individual who inspires students both in their lessons and beyond the classroom, and champions literacy across our wider school community. If you share this vision for the teaching of English, we warmly invite you to apply for the post.

As English plays a crucial role in preparing our pupils for entrance examinations, we recognise the importance of balancing academic rigor with fostering a genuine passion for the subject. We are committed to supporting you in delivering innovative and stimulating English lessons that not only equip students with the necessary skills for examinations but also nurture their love for literature, language and communication.

The English Department is a happy and supportive team and is a highly respected and regarded department amongst pupils, parents and staff alike. The department benefits from outstanding leadership and contains experienced and passionate teachers who meet formally at regular intervals every term to discuss pupil progress, share teaching and learning strategies and developments, and reflect on our curriculum content and practice. More informally, we can often be found in one another's classrooms, talking about teaching ideas, resources and books we've read! English teachers liaise closely with the Reading Team, School Librarian and Learning Support Department to provide coordinated, holistic support for all pupils, and department staff are expected to contribute to the school's academic enrichment programme for selected pupils in Years 7&8. We run numerous subject related extra-curricular activities and opportunities from the English-Speaking Union Performing Shakespeare and IAPS *Time to Write* competitions to visits to the Imperial War Museum and Guildford Shakespeare Company in-house workshops.

We encourage all staff members to demonstrate competence and a willingness to further develop their digital skills, integrating them effectively into teaching, learning, and administrative activities aligned with their role.

We are looking for a teacher who sees their role extending beyond the classroom, actively engaging with the school community. If you are passionate about English education and share our commitment to providing a holistic and enriching learning experience for our students, we encourage you to apply for this post.
