THE GOVERNING BODY

About Amesbury

Amesbury joined the Charterhouse Family of Schools (Registered Charity 312054) on 1st August 2026. The Governing Body of Charterhouse School has responsibility for Amesbury, but the School is run independently, retaining its own identity and ethos, as well as its day-to-day operational autonomy.

A full list of the Governors can be found on the Charterhouse School website: Governing Body Charterhouse. The Chair of the Governing Body, Mark Bishop, may be contacted via the Clerk to the Governing Body at Charterhouse School, Godalming, Surrey, GU7 2DX, or via email at clerktogoverningbody@charterhouse.org.uk.

The Amesbury School Sub-Committee oversees the day-to-day running of the School and is chaired by Craig Decker.

NB: A detailed breakdown of Governors is available from the school website.

4 **ETHOS & AIMS**

Our principal purpose is quite straightforward. It is simply that we want every child to enjoy his or her time at school; to feel valued as individuals in an environment where their talents can prosper to the benefit of the community, so when the time comes to leave us each will do so with their confidence high, skills sharpened and personalities rounded.

Other first rate schools share a similar vision. What Amesbury offers is a unique and distinctive ethos: academically rigorous but relaxed and good humoured, competitive yet civilised, self confident but lacking in arrogance.

Our Aims Are As Follows. To:

- Develop in every child the necessary skills, aptitudes and abilities to enable them to become emotionally resilient, independent learners.
- Develop a caring community within the school by encouraging commitment, courtesy, co-operation, tolerance and compassion towards one another whilst understanding that each individual is a member of a wider community.
- Promote and nurture a close relationship between home and school in the partnership of education.
- Provide all stakeholders with a model of organisational excellence.
- Create the circumstances in which all members of staff have the opportunity for personal development and feel able to make the fullest of contributions to school life.
- Fulfil our social and environmental responsibilities to society.

5 **RELIGIOUS AFFILIATION**

Christian inspiration and ideals are fundamental to our philosophy, but we recognise that many pupils come from homes which follow other faiths, or have no strong religious affiliation.

6 **POLICY DOCUMENTS**

The school has an extensive range of detailed policies which are available to parents including the following: Admissions; Special Educational Needs; Curriculum; Behaviour; Anti-Bullying; Safeguarding; Complaints; Health & Safety; First Aid. All of these are on the School website and are available electronically or in hard copy from the Head's PA.

Parents can also request particulars of the School's academic performance during the preceding school year.
