Billing & payment:

Pre-nursery fees are payable monthly and Nursery fees termly in advance on the first working day of each month/term. Any ad hoc supplementary periods will be charged on the next monthly/termly invoice. Nursery Fees paid by monthly direct debit, commencing July prior to academic year will attract 0.5% discount.

Early Years Funding:

Amesbury School is registered with Surrey County Council for the Free Early Years Education Funding upto 15 hours per week. This applies to children aged 3 to 5 and the school claims the funding from SCC and advances to parents. There is a separate Early Years fact sheet outlining the process.
