Michaelmas Term 2020

Dear Prospective Applicant,

Thank you for your interest in a post at Amesbury. No doubt you will spend some time investigating the website and finding out what type of school we are through 'word of mouth'. Without wanting to colour your own findings, I have to say that this is a fine place to work. It's a lively organisation with no affectations – you get what you see. There is a broad mix of ability amongst the children and behaviour and relationships are strong. Probably the most reassuring aspect of the school is the manner in which children relate to staff. This is done in a nicely balanced manner between formal and informal and it creates an aura of trust. As you would expect, our parents expect a professional service and all staff are expected to be part of this.

In return for working hard, staff are paid fairly and enjoy the benefits of generous holidays. CPD is encouraged and supported. Those who are ambitious are supported in their aspirations, whilst those for whom promotion is not a priority can enjoy being part of an organisation which evolves at a healthy pace, but never changes for change's sake.

Should this brief introduction whet your appetite, I look forward to reading your application.

With all best wishes,

Jonathan Whybrow  
Head
