SCHOOL AIMS

Our principal purpose is quite straightforward. It is simply that we want every child to enjoy his or her time at school; to feel valued as individuals, in an environment where their talents can prosper to the benefit of the community, so that when the time comes to leave us, each child will do so with confidence high, skills sharpened and personalities rounded.

More specifically we aim to:

- Develop in every child the necessary skills, aptitudes and abilities to enable them to become emotionally resilient independent learners.
- Develop a caring community within the school by encouraging commitment, courtesy, cooperation, tolerance and compassion towards one another whilst understanding that each individual is a member of a wider community.
- Promote and nurture a close relationship between home and school in the partnership of education.
- Provide all stakeholders with a model of organizational excellence.
- Create the circumstances in which all members of staff have the opportunity for personal development and feel able to make the fullest of contributions to school life.
- Fulfil our social and environmental responsibilities to society.
